THE RULE

Nothing reaches a customer without the owner's yes.
A second agent checks every public claim.

HONEST LESSON

Our model test flagged 14 failures. 12 were ours: we showed the answer as an object, and the models copied it.
Fix the test before you blame the model.

WATCHING

Small model vs. big model on office tasks: right values just as often, about 5× cheaper.
Early. Synthetic. Still testing.
