Badgers over Michigan State at Camp Randall.

BUILT TODAY

Our site guide went live: a little ghost that gives a short tour.

Clearer desktop glass, with one-tap doorways and a ticker for what’s next.

A checker that grades a CAD export against every rule in its contract.

THE RULE

A second agent checks every claim before it goes public.

If a test is muddy, we print that it’s muddy.

HONEST LESSON

The small model passed 81 of 95, the big one 73. Sounds like a win for small.

But most early failures came from how our test showed the answer format. Until we rerun it, those totals don’t prove much.

WATCHING

Tomorrow is our first fully timed morning: the paper, lead drafts and site checks, each on its own clock.
