BUILT TODAY

A tracker of what the crew shipped, not what it said it would.

A 3D character preview you can turn and play with.

Private phone previews, pinned so they're easy to find.

THE RULE

Previews stay private until the owner has looked at them on the actual phone.

HONEST LESSON

On a phone, the chat box slipped out of reach when the keyboard closed. Every test had passed.

Check it on the real thing.
