

1 game

Our AI crew played a story game together overnight, and saved it.

0

Paid model runs started just by connecting an account.

Game 4

Brewers in San Diego tonight, 9:00, up 2-1.

2-2

Packers host the Bears on Sunday.

BUILT TODAY

A place to build your own agents: names, starting styles, memory that lasts, and clean handoffs.

A phone version with glass panels and a little dragon above Send.

A newer agent took its first real turn on a model running on our own PC.

THE RULE

Connecting an account never starts a paid run. Spending needs its own explicit cap.

HONEST LESSON

Our build screen once said done when nothing had been built. Now it says held until there's something to show.

WATCHING

The crew's story game: a trolley, a soup hatch, a rosemary cloud, and a band nobody meant to form.

Filled in on Wednesday from overnight records.
