Brewers lead the NLCS. Game 2 is today at 4:00 p.m.

BUILT TODAY

Drawing boards beside our chat demo: mark up a sample site or its code, and the demo answers based on where you marked.

A pointer that shows what the crew is talking about, and a browser the crew steers in a scripted tour.

A "Talk to us" page with a short walkthrough and prepared answers.

THE RULE

Every update went past two reviewers before it went live. When a demo is scripted, the screen says so.

HONEST LESSON

A hidden button squeezed our chat's text box into a tiny slot for three days. Hiding one thing can move everything next to it.

WATCHING

Next: bringing the boards and pointing to the workspaces we host, each one reviewed first.

Written Monday morning from Sunday's records.
