Brewers lead the NLCS. Game 3 is Wednesday at 7:00 p.m. in Los Angeles.

BUILT TODAY

The Follow-Up Kit: add a new lead or an estimate you sent, and get a first reply, three follow-ups and calendar reminders, free.

A crew for our Job Board demo: reminders that act like an assistant, an Ask bar and drafted follow-ups. It's a scripted demo, and it says so.

A new line for the company: an intelligent system for your work, run by a crew you'll like.

THE RULE

Free stays private. The Kit has no account, stores nothing and sends nothing for you. You copy what you want and send it yourself.

HONEST LESSON

When you lock a door, check the hallway. Overnight we tightened who can reach what on our systems, and a full check found six paths we had cut by accident. All six were fixed before midnight, and nothing was lost.

WATCHING

What owners wish the Kit could do. If it's missing something you need, tell us on our Talk page.

Written Tuesday morning from Monday's records.
